

Frequently Asked Questions and General Tips...

Packing and Storage Tips

- Inspect your storage space. The space should be of adequate size to fit your needs.
- Determine the packing accessories you need: bubble-pack, tape, drop cloths, mattress and furniture covers, locks, and assorted size boxes from book to wardrobe.
- Fill boxes to capacity: partially full or bulking cartons may collapse or tip.
- Heavy items such as books or tools should be packed in small boxes so they are easy to lift.
- Protect your fragile goods with packing (i.e., bubble-pack or other), and place them near the top of your storage space.
- Label boxes. Take home a list of labeled boxes for easy reference when you need to locate your goods.
- Pack the storage space carefully. Leave air space around the perimeter to aid ventilation.
- Do not lean heavy items against walls. Leave a walk-way to the rear of your space for easy access.
- Use all the space available, including the height, and place frequently used goods near the door.
- Unit Restrictions:
 - No flammables
 - No live animals
 - No illegal substances or stolen merchandise
 - No mechanical shops or making of any products
 - No living in a unit

Security Features

- Lumpkin 400 Self Storage is equipped with an electronic controlled access gate. When you rent a unit with us you will be given a pass code that allows you access to the facility. No one else knows your code. A record is kept of everyone who enters the property and at what time.
- Because you have your own lock and key, you are the only one with access to your storage unit.
- Our managers perform security checks daily.
- Security fencing surrounds the entire property and the location is well lit throughout the evening hours.
